Ag2nut-Ethiopia

- Started during a side event meeting during the Agriculture, Nutrition and Health Academy Week June 20-24, 2016 at The Hilton Hotel in Addis Ababa, Ethiopia
- Why? To facilitate exchange of information and networking between scholars with special focus on Ethiopian
- Since its start, ag2nutEthiopia is one of the biggest forums with special focus on Agriculture, Nutrition, Health in Ethiopia
- Membership grew to more than 2900 scholars from 39 countries
- The forum benefited many graduate students, researchers, university staffs, organizations to easily access and share information such as conferences and workshops, surveys, grants, curriculum review, job vacancies, internships etc..... 676 discussion topics made
- We are grateful to the ag2ut global leaders and all the partners
